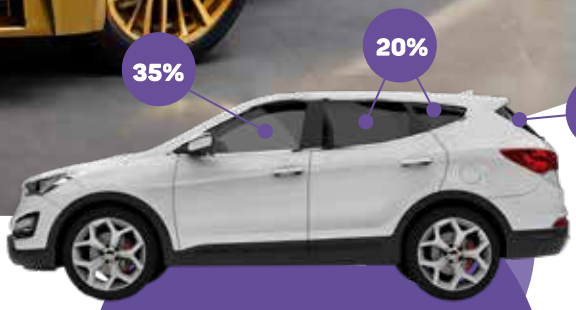
TO KNOW ABOUT TINTING

AUTOMOTIVE



LEGAL IN QLD

Front Side	35%
Rear Side	20%
Rear	20%
Windshield	Top 10%

YOU'VE JUST GOT YOUR CAR TINTED.

01

Keep your windows up for 2 days. This allows the top edge of the window to seal.

02

Don't worry about hazy film or water pockets these will dry in around 3 weeks in warm weather.

03

Wait 2 weeks before cleaning inside of windows.

- Never use window cleaners that contain ammonia like windex.
- Never use a cloth made of rough materials

04

Window Tint is not invincible. Read your warranty booklet to confirm what's covered.

05

Keep your invoice and warranty card safe. You will need these if you ever need to make a claim.

Read your warranty booklet for all you need to know about your warranty.

*Lifetime Warranty on Legal window film for as long as you own the vehicle.
